SmartOffice PS286 Plus

plustek

SmartOffice Series

Users Now Have the Ability to **Scan to Their Mac** Computer With PS286 Plus Scanner

The SmartOffice PS286 Plus 25 page per minute document scanner for PC and MACINTOSH Computers features built in image processing for high quality images and increased OCR accuracy, robust paper handling for fewer misfeeds and rescans, and bundled software applications that enable greater user productivity. The scanner also features LED instant-on illumination with no warm-up and an Automatic Feeder Capacity of 50 pages.

❖ KEY FEATURES

- 25ppm/50ipm scan speed in grayscale mode
- 1500 page per day duty cycle
- Improved high quality imaging and robust paper handling
- Scans long documents up to 50"
- 50 sheet Automatic Document Feeder
- Small footprint – easily transportable and fits in crowded office
- Single touch scanning to popular formats including Searchable PDF, PDF/A, Word, Excel, JPEG and TIFF
- Scans rigid cards including insurance cards, ID cards, drivers licenses etc

Easy-to-Use MacAction

Users can scan to their PC or Mac computer with the SmartOffice PS286 Plus scanner by simply pressing a button. DocAction (PC) and MacAction (Mac) enable users to create and save 9 different scanning jobs including: scan to folder, scan to email, copy, create PDF and more. To scan, simply insert the paper, select the job and press scan! Files are saved in any of the following formats Searchable PDF*, PDF/A, Word*, Excel*, JPEG and TIFF.

Versatile Document Handling

The SmartOffice PS286 Plus is designed to scan business documents up to 14" long and rigid cards, such as ID cards and drivers licenses, up to 1.2mm thick, without operator adjustments. Mixed batches of documents can be scanned without sorting thanks to the class leading paper handling and image processing.

Advanced One-Button Scanning

With Plustek's DocAction exclusive software application, users only need to properly place the document on the scanner, then press the "Scan" button. What is best, the scanned image can be directly sent to your desirable destination applications. The features allow you to directly scan to searchable PDF, PDF/A, OCR and BCR, and also access programs seamlessly, such as Excel, Word, Email, Copy and Save to File directly.

Compatible with most imaging applications

Industry standard TWAIN drivers combined with TIF, JPG, PDF and Microsoft Office file formats ensure compatibility with thousands of scanning and imaging programs. Plustek OCR is included* to easily create and manage searchable PDFs at the touch of a button. Built in image processing insures the highest image quality, reduces rescans and increases OCR accuracy.

1 Auto Threshold*

Automatically threshold the current image into a binary black and white image.

2 Auto Rotate*

Automatically rotates document based on the contents of the document.

3 Auto Crop & Deskew*

Automatically straightens and crops image to the documents actual size.

4 Color Dropout*

5 Blank Page Removal*

* Features only available in PC version

25 PPM
50 IPM

Fast duplex scanning at speeds up to 25 pages per minute in Grayscale mode.

50 pages

Effective scanning with large Automatic Document Feeder up to 50 pages.

BUSINESS CARD

Digitize paper business cards into easily-managed and sorted contacts, and turn your business cards into information.

ID CARD

Scans embossed rigid cards such as ID cards, insurance cards, drivers licenses and credit cards up to 1.2mm. Perfect for vertical applications such as healthcare, pharmacy, accounting, hospitality, etc.

SEARCHABLE PDF

Save paper documents as searchable PDFs at the touch of a button and find your information faster.

CLOUD

Allows you to easily upload files or scanned images to a compatible server of your choice including Google Docs, Microsoft SharePoint, Box, Dropbox, Twitter and FTP servers.
