

Plustek SmartOffice PS406U

Easy- to-use Scanner Fits Just About Anywhere
Quick, Portable, Easy Document & Plastic Card Scanning

Discover a new level of front-office productivity

Enhanced with innovative features, the *SmartOffice PS406U scanner* offers outstanding price/performance value in a compact footprint, conserving both space and budget. You get fast scanning speeds, a high daily duty cycle, robust paper handling capabilities, and an ultrasonic double-feed detection feature, all from a compact, desktop scanner. The *SmartOffice PS406U* offers businesses a powerful scanning solution, featuring speeds up to 80 images per minute and a duty cycle of up to 4000 sheets. This high-volume, sheet-fed scanner makes it easy to capture all your critical documents. And, it offers an amazing value with fast speeds, a 100-page feeder and incredible versatility.

Features exceptional feeding reliability

Engineered with one of the most advanced paper separation features in their class, the *SmartOffice PS406U* is the first workgroup scanner in exceptional feeding reliability for an even wider variety of document weights. The *SmartOffice PS406U* also delivers uncompromised high-resolution performance of up to 20 pages per minute and 40 images per minute

in color at an astounding 300 dpi. Able to handle everything from business cards to rigid ID cards and documents, the *SmartOffice PS406U* easily scans both sides of one sheet in just one pass. And, it does so in color, grayscale or bi-tonal. It's never been easier to electronically capture critical documents.

Save time with One-Touch scan to Searchable PDF

The *SmartOffice PS406U* workgroup scanner conveniently includes everything in the box to get organizations up and scanning. With the Plustek DocAction, Plustek DI Capture, OCR and BCR software, users get image enhancement functionality as well as the option of scanning directly to Searchable PDF file, print or batch. Whether you need a faster way to access shared documents, a more affordable way to comply with government mandates or a better way to maintain the integrity of important documents, the *SmartOffice PS406U* is the perfect place to start. Furthermore, the automatic document feeder (ADF) is also robust enough to feed up to three hard cards continuously or an embossed card up to 1.2 mm in thickness.

Bring Digital Documents to Your Workgroups

The SmartOffice PS406U document scanner makes document warehousing a simple task, with high-speed scanning at the touch of a button. 40 pages per minute and 80 images per minute, newly customised High Speed TWAIN drivers, a 100-page duplexing ADF make this the first choice for document processing. It supports most major scanning environments. Alongside its Plustek DocTwain driver, it offers users more flexibility and supports Auto Document Sizing. This contributes to faster scanning speed and greater productivity, and can be used for batch scanning with the ADF. Without this function, it is necessary to spend time manually entering the paper size during their pre-scan. Thanks to Auto Document Sizing, this time is now saved.

Additionally, the SmartOffice PS406U has the efficiency of Intelligent MultiFeed Function that is enhanced by an ultrasonic sensor that detects the double feeding of originals during scanning. The intentional double-feeds, such as a taped receipt or sticky note, can be easily scanned while the function is disabled. This innovative design prevents double feeding, and has been proven effective even when the documents being scanned contain a mix of paper of different weights or thickness. Thanks to double-feed prevention, optimum reliability is assured even when scanning high volumes of documents.
