SmartOffice PN2040

❖ FEATURES

Either RJ45 network port or USB 2.0 port for direct PC connection

Scan to any PC on your network

The SmartOffice PN2040 is perfect for small and medium sized offices that have the need to scan documents, but do not have the daily scan volume to justify a dedicated scanner for each employee. All PC users in the office can share using the SmartOffice PN2040.

Automatic document detection for ADF/Flatbed

The PN2040 is a 20 page per minute duplex scanner with a 50 page Automatic Document Feeder and flatbed. The 1000 page per day duty cycle tells you that this scanner is designed to scan all day, every day! The Automatic Document Feeder allows you to scan up to 50 pages by simply loading the feeder and pressing a button on the scanner. The flatbed enables you to scan fragile documents or small items such as receipts or business cards.
