

MobileOffice S400

plustek

MobileOffice Series

Two Steps to managing your paper document!

MobileOffice S400 scanner converts paper documents, expense reports, business cards and more to searchable PDF with the touch of a button. MobileOffice S400 also features advanced image processing that allows you to scan mixed sized document without any adjustments.

❖ KEY FEATURES

- **Light weighted, easy to carry**
- **Powered and transferring data via USB**
- **Long Paper size support up to 28"**
- **One-Touch scan to Searchable PDF and digital files**
- **Document & business card recognition software included**

MobileOffice S400

❖ KEY FEATURES

Image quality assurance

Simplex CIS Color Scanner scans up to 600 dpi in color, grayscale or black and white. Built in image processing insures the highest image quality, reduces rescans, and increases OCR accuracy.

Easy to use design

2 Single-touch customized buttons automate frequent scanning tasks. Industry standard TWAIN drivers enable the MobileOffice S400 to be used with any image enabled application.

Easy to carry

The MobileOffice S400 is about the size of a small roll of aluminium foil and comes with a customized carrying pouch.

TWAIN support

Features industry standard TWAIN drivers that are supported by thousands of document management and imaging applications.
