

MobileOffice D430

plustek

MobileOffice Series

Most efficiency way to handle
front desk/service desk documents!

Plustek MobileOffice D430, a portable duplex scanner with hyper fast scanning speed, has perfect design for front desk usage. It offers a unique and compact paper output design with both horizontal and vertical output. This compact design makes it easy to place the scanner in a narrow or corner spot. Make the scanning process more friendly and enjoyable!

Plustek MobileOffice D430 has a user self-maintenance design. Simply lift up the upper part of the scanner for clean-up. The easy maintenance can ensure the scanning quality and stability and extend the product life cycle.

❖ KEY FEATURES

- Duplex sheet-fed scanner
- Fast speed scanning up to 1.8 sec per page
- Support Plastic Card scanning

MobileOffice D430

❖ KEY FEATURES

Small footprint, high speed

The small footprint and 33 ppm scanning speed makes this scanner ideal for front desk applications: pharmacy, patient registration, bank teller.

Single touch button design

Nine customizable single touch settings enable you to automate frequent scanning jobs and tasks.

Plastic/Embossed Card Scanning

Scans embossed plastic cards up to 1.2mm thick including, credit cards, driver license cards, ID cards, medical cards or membership cards.

Self-maintenance design

Simply lift the upper part of the scanner for cleaning. Simple maintenance improves image quality and paper feeding.

Paper output options

Paper can be ejected to the rear of the scanner or out the top. It allows the scanner to be placed right up against a wall in space constrained environments.
